

“INDIVIDUALS ARE THE OWNERS OF THEIR PERSONAL DATA”

## What is GDPR?

GDPR or Global Data Protection Regulation is a new European Regulatory\* **applicable as from 25 May 2018 to all companies processing personal data of data subjects residing in the EU**, regardless of the company's location.

This regulation brings various obligations and constraints to all companies concerned. Non-compliance of provisions **may result in fines up to 4% of annual global turnover** (with a maximum of EUR 20 million euro).

\* Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 repealing the Directive 95/46/EC.
